

Privacy Policy

Snowball Roll Down

Last updated: January 29, 2026

1. Introduction

This Privacy Policy describes how Snowball Roll Down ("the Game", "we", "us", or "our") collects, uses, and shares information when you use our mobile application.

2. Information We Collect

Google Play Games Services: When you sign in with Google Play Games, we access your Google Play Games profile information (display name and profile picture) solely for the purpose of displaying your identity on leaderboards. We do not store this information on our servers.

Leaderboard Data: Your game scores are submitted to Google Play Games Services leaderboards. This data is managed by Google according to their privacy policy.

Advertising: We use Google AdMob to display advertisements. AdMob may collect device information and advertising identifiers. For more information, please review Google's Privacy Policy at <https://policies.google.com/privacy>

Local Data: Game progress, settings, and high scores are stored locally on your device and are not transmitted to our servers.

3. How We Use Information

We use the collected information to: display your name and scores on leaderboards, provide personalized advertisements through AdMob, and improve the gaming experience.

4. Third-Party Services

The Game uses the following third-party services that may collect information: Google Play Games Services (for leaderboards and achievements) and Google AdMob (for advertisements). Each service operates under its own privacy policy.

5. Children's Privacy

The Game is not directed to children under 13. We do not knowingly collect personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us.

6. Data Security

We value your trust in providing us your information. While we strive to use commercially acceptable means of protecting it, no method of transmission over the internet or electronic storage is 100% secure.

7. Your Rights

You can sign out of Google Play Games at any time through your device settings. You can reset your advertising identifier or opt out of personalized ads in your device settings. You can delete local game data by uninstalling the Game.

8. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Last updated" date.

9. Contact Us

If you have any questions about this Privacy Policy, please contact us at:
